Scottish Widows Platform

Managing your account including set-up & password reset

For Professional Advisers only

Setting up your account

Setting up your account is something you must do straight away. Once you've done this, you'll be able to log in and view your customer(s) accounts whenever you like.

When your account is created by us, we will send you two emails. The first email will contain your username, and the second will provide a link for you to create your password. **This link expires after 72 hours.**

- A** Once you click the link, you will be taken to Scottish Widows Platform login page, where you will be asked to enter the Username we sent to you separately by email. Next, you will be asked to confirm your date of birth.
- B** Now you will be asked to create a password. As you start to type your password a box will appear to guide you in creating a password that meets our criteria. The password can be no longer than 50 characters,
- C** Lastly, you will need to create a memorable pin.

Welcome
First, please verify your account by entering the username we sent you by email.

If you have forgotten your password, or didn't set-up your username & password within 72 hours of receiving the email from us, you will need to reset your password.

You can do this online by following these steps:

1. Visit www.scottishwidows-platform.com
2. Click **Forgot Password** from the login screen page
3. You should then be directed to the **Having trouble logging in** page shown in the picture to the left.

Enter Username & Email

4. Click on the **Captcha** to confirm you're not a robot
5. Click **Submit**

Within twenty minutes, you should receive an email with a link to reset your password. This will expire after 72 hours.

When you click on the link in the email, if you have logged in to the platform before, you will be asked to confirm three numbers from your memorable PIN and then be asked to set a new password. If you have never logged in before, you will also be asked to confirm your date of birth and set up memorable pin as part of the process.

Password must

- ✓ Be a minimum of 8 characters
- ✓ Not repeat the same character 3 times in a row
- ✓ Contain an uppercase letter
- ✓ Contain a lowercase letter
- ✓ Contain a number
- ✓ Excluding any special characters

As you start to type your password, this box will appear to help you ensure any password you create meets our password criteria. The password can be no longer than 50 characters.

This will not work if you have locked your account. This happens when you have entered your password incorrectly three times. Please contact the superuser set up within your firm so they can support you with unlocking your account.
